EDUCATION

2013	Ph.D.	Ecology, Florida State University, Tallahassee, FL
2009	M.S.	Ecology, Florida State University, Tallahassee, FL
2006	B.S.	Conservation Biology, Hunter College, New York, NY
2003	B.S.	Business, State University of New York at Buffalo, Buffalo, NY
2003	B.A.	English, State University of New York at Buffalo, Buffalo, NY

EMPLOYMENT

08/2021 – Present	Associate Specialist in Cooperative Extension, University of Arizona
05/2017 – 07/2021	Assistant Specialist in Cooperative Extension, University of Arizona
10/2017 – Present	Director, GALS (Girls on outdoor Adventures for Leadership and Science) Arizona
01/2015 – 05/2017	Assistant Specialist in Cooperative Extension, University of California, Davis
05/2013 – 12/2014	Postdoctoral Scholar, University of California, Davis

HONORS AND AWARDS

05/2021	University of Arizona Early Career Scholar Award finalist
02/2021	Outstanding Young Range Professional, Society for Range Management
12/2020	Finalist, AAAS Early Career Award for Public Engagement with Science
07/2020	Early Career Open Science Award, <i>AoB Plants</i>
05/2020	Public Service and Outreach Award, School of Natural Resources and the Environment, University of Arizona
11/2019	Shirley O'Brien Diversity & Inclusion Award, University of Arizona
08/2019 – Present	Early Career Fellow, Ecological Society of America
03/2019	Excellence in Campus-Community Outreach for STEM Diversity Award, University of Arizona, Women in Science and Engineering Program
10/2017 – 06/2018	Fellow, Tucson Public Voices, Women's Foundation of Southern Arizona

SERVICE AND OUTREACH (last 3ish years)

Local/State

2021– Present	Vice President, AZ section of the Society for Range Management
2020– Present	Member, Technical Advisory Committee, Gila Watershed Science
2020– Present	Member, Science Advisory Committee, Working Lands Conservation

2019– 2020	Chair, Outreach Section, AZ Monarch Collaborative
2019– Present	Member, Arizona Cross Watershed Network
2019 – Present	Member, Science Advisory Board, Altar Valley Conservation Alliance
2019 – Present	Chair, Science Committee, AZ section of the Society for Range Management
2018 – Present	President, Society of Ecological Restoration Southwest Chapter
2018 – 2020	Founding Member, Glyphosate Working Group - Society for Ecological Restoration, Southwest Chapter
2018 – 2020	Committee Member, Arizona Conservation Partnership Charter
2017 – 2021	STEM Chair, American Association of University Women Tucson Branch
2017 – Present	Member, Restoration Assessment & Monitoring Program for the Southwest
2017 – 2020	Member, Buffelgrass Working Group - Arizona Desert Museum
2017 – 2019	Committee Member, Southwest Vegetation Management Association
2017 – Present	Member, Sonoran Desert Cooperative Weed Management Area
2017 – Present	Committee Member, Reclamation and Restoration Committee - Society for Range Management
2017 – Present	Research committee member, Southwest Seed Partnership
2017 – 2020	Leadership Team, 500WomenScientists Tucson Pod

National/International

2021	Co-chair of Events Committee for SER International 2021 meeting
2020	Reviewer for Western SARE
2019 – Present	Associate Editor, <i>Elementa</i>
2017 – Present	Member, Plant Conservation Alliance
2016 – Present	Founder and Co-chair, Ecological Restoration Section of the Ecological Society of America

University Committees

2021	Member, Faculty Search Committee, SNRE Director
2020 – Present	Member, Cooperative Extension Publication Process Evaluation Committee
2020	Member, Faculty Search Committee, Director of Cooperative Extension
2018 – Present	Faculty Mentor, Ecological Restoration Club, University of Arizona
2018 – 2019	Faculty Mentor, Women in STEM Student Council, University of Arizona
2017 – Present	Member, University of Arizona Center for Climate Adaptation Science and Solutions

Departmental Committees

2021	Head, Faculty Search Committee Aridlands Vegetation
2020	Member, Faculty Search Committee, Rangeland Ecology
2018 – 2021	Co-chair, Inclusive Excellence Committee, SNRE University of Arizona
2017 – Present	Member, Extension and Continuing Education Advisory Committee
2017 – Present	Member, IRB Technical Review Panel

Postdoctoral advisor for: Trace Martyn (2020 – Present); Katherine Hovanes (2020 – Present); Maowei Liang (2018 – 2019); Max Li (2017 – 2018)

PhD advisor for: Lia Ossana (2020 – Present); Marquel Ann Begay (2019 – Present); Sierra Lauman (2019 – Present); Iris Rodden (2018 – 2021); Hannah Farrell (2017 – 2020); Julea Shaw (2015 – 2020)

MS advisor for: Amy Gill (2018 – 2020)

Qualifying exam committee member for: Ben Yang (2021 – Present); Natalie Melkonoff (2021 – Present); Wyatt Philabaum (2021 – Present); Lydia Jennings (2019 – 2020); Jared Williams (2019 – 2021); Ariel Marc Leger (2018 – 2020); Olga Kildisheva (2018 – 2019); Ashlee Simpson (2017 – 2018); Noah Teller (2016 – 2019); Breahna Gillespie (2016 – 2021); Evan Wolf (2015 – 2017); Chhaya Werner (2015 – 2017); Julia Michaels (2016 – 2017); Aubrianna Zamora (2015 – 2017)

Undergraduate advisor for: Suvi Birch (2021 – Present); Skylar Zuniga (2020 – Present); Christopher Melton (2020); Whitney Noel (2019 – 2021); Marci Caballero-Reynolds (2018 – 2020); Albert Kline (2018 – 2019); Amanda Dechen (2016 – 2017); Mitchell Petures (2016 – 2017); Patricia Ambrozio Dos Santos (2015 – 2016)

PUBLICATIONS

Refereed Journal Articles

- (65) Farrell HL, Funk J, Law D, and **Gornish ES** (Accepted) Impacts of drought and native grass competition on Buffelgrass (*Pennisetum ciliare*). *Biological Invasions*
- (64) Yang B, Balazs K, Butterfield B, Laushman K, Munson S, **Gornish ES**, Barberán A (Accepted) Does restoration of plant diversity trigger concomitant soil microbiome changes in dryland ecosystems? *Journal of Applied Ecology*
- (63) Gill A, Fehmi J, **Gornish ES** (Accepted) Biotic and abiotic factors important for Palmer's agave restoration in Lehmann lovegrass dominated areas. *Ecological Restoration*
- (62) Williams JP, **Gornish ES**, Barberán A (Accepted) Effects of buffelgrass removal and nitrogen addition on soil microbial communities during an extreme drought in the Sonoran Desert. *Restoration Ecology*
- (61) Farrell HL, Fehmi J, **Gornish ES** (2021) The effects of site preparation equal to those of seeding at a dryland restoration site: 6 years of plant community development. *Restoration Ecology* DOI: 10.1111/rec.13482

AWARDED GRANTS (last 3ish years)

Federal

- Fisher L and **Gornish ES**. Engaging students in support for grasslands conservation and restoration in the southwest. United States Fish and Wildlife Service. 09/2020 – 08/2025. \$665,000
- **Gornish ES**, Merrigan S, and Archer S. An online toolkit for managing shrub encroachment. USDA Renewable Resources Extension Act Outreach Grant. 01/2021 – 12/22. \$50,000
- Baldwin E, Lien A, **Gornish ES**, Henry A, and McClaran M. Solving grand challenges in coupled natural human systems: Predicting effective governance strategies for managing invasive species. National Science Foundation, 10/19 – 09/24. \$1,580,012
- **Gornish ES**, Roche L, Fehmi J, Barberán A, Ruyle G, and McClaran M. The utility of plant traits to identify range seeding candidates that can achieve multiple management goals. Western SARE, 05/2019 – 05/ 2022. \$342,481
- **Gornish ES**, Blankinship J, and Fehmi J. From the ground up: Educating Cooperative Extension and the NRCS about agricultural technologies to enhance soil health. Western SARE, 06/2019 – 05/2021. \$75,000 (declined)
- **Gornish ES**, Fehmi J, and Conn J. Restoration ecology internship for southwest National Parks. National Park Service, 09/2018 – 08/2020. \$15,000
- Fehmi J and **Gornish ES**. Fertile islands in Arizona. USDI – National Park Service, 06/2018 – 12/2019. \$94,000
- **Gornish ES** and Howery L. The identification and control of invasive plants in Arizona. Western IPM, 05/2018 – 05/2019. \$14,995
- Larios L, **Gornish ES**, Bean T, and Teller N. Testing community functional composition of vegetation buffers to improve postfire invasion resistance of Coastal Sage Scrub. Western IPM, 05/2018 – 05/2019. \$29,822

State

- Francois C, and **Gornish ES**. Native Grassland Restoration. Arizona Department of Forestry and Fire Management, 06/2019 – 05/2020. \$10,000

- **Gornish ES**, Groscholz T, and Darin G. Investigations of restoration techniques that limit invasion of tidal wetlands. Delta Conservancy, 07/2017 – 06/2020. \$107,650
- **Gornish ES**, Tate K, Roche LM. Completing the knowledge cycle: Deriving IPM knowledge directly from practitioners on working landscapes. California Department of Pesticide Regulation, 09/2015 – 03/2018. \$199,414

Private Foundation

- **Gornish ES**, Martyn T, Blankinship J, Sittig J, and Barberán A. Testing media lunas- a cheap and technologically simple approach to enhancing soil health and resilience on Arizona rangelands. Arizona Institutes of Resilience, 11/2021 – 08/2021. \$39,314
- Blankinship J, Babst-Kostecka A, Barberán A, Tfaily M, **Gornish ES**, and Rasmussen C. Developing biological solutions for Arizona dust hazards. Arizona Institutes of Resilience, 02/2021 – 07/2021. \$77,144
- Barberán A, **Gornish ES**, Búrquez A, and Martínez-Yrizar A. Is buffelgrass invasion in the Sonoran Desert altering soil microbial communities? Consortium for the Arizona-Mexico Arid Environments, 06/2020 – 05/2021. \$42,500
- **Gornish ES** and Barberán A. How do soil communities and nitrogen cycling respond to buffelgrass invasion. University of Arizona Foundation Small Grants Program Award, 02/2020 – 01/2021. \$19,472
- **Gornish ES**. Girls on outdoor Adventure for Leadership and Science (GALS). Summit Hut Small Grants Awards Program, 02/2020 – 02/2021. \$2000
- **Gornish ES** and Barberán A. Ecological restoration for soil health research and development lab. University of Arizona CALS Innovation Venture Investment Program, 09/2019 – 09/2021. \$90,000
- **Gornish ES**. A holistic approach to reducing time to graduate degree completion. The University of Arizona, 09/2018 – 09/2019. \$6359
- Roche L, **Gornish ES**, Hogan S, Jin Y, Snell L, Eastburn D, Lile D. Closing the adaptive management loop for sustainable working rangelands. University of California, Division of Agriculture and Natural Resources, 08/18 – 07/21. \$197,979
- **Gornish ES**. Testing the utility of green stripping to reduce Buffelgrass (*Cenchrus ciliare*) dominance and restore nature fire frequency to southern Arizona uplands. University of Arizona CALS Early Career Faculty Seed Grant Program, 02/2018 – 02/2019. \$10,000

I have also given literally hundreds of talks. Please email me for a full list.
